PALLASSOS

A clown in a blue jacket with red trim and a red bowler hat is performing outdoors. He has a red nose and is gesturing with his hands. In the background, there is a large black speaker, a green tent, and a person in a red and white costume sitting on a white chair. A woman and a child are watching the performance. A yellow string is visible in the air.

The Filigranes Company was founded in 2004 by two clowns, but from 1996 onwards, Jordi Torrens (Trinxeta) and Albert Pérez (Makutu) have been together in scene.

The headquarters are located in Terrassa, at the premises of the circus association Tub d'Assaig 7'70, of which they are founders and active members. They also take part in the Clowns Art and Effect Association, and have been part of other groups of clowns, circus and street art: Alternatiu X, Sàtirs, Pallassos Perillassos, S3 De Riure, La Cremallera Teatre, Comediants, Pallassos sense Fronteres and Improvisto's Krusty Show.

They have acted in the Major Festivals of cities, towns and neighborhoods, theaters and festivals, have performed and co-created several circus raffles and accumulate a wide range of workshops and recreational and educational activities.
