PALLASSOS

The Filigranes Company was founded in 2004 by two clowns, but from 1996 onwards, Jordi Torrens (Trinxeta) and Albert Pérez (Makutu) have been together in scene.

The headquarters are located in Terrassa, at the premises of the circus association Tub d'Assaig 7'70, of which they are founders and active members. They also take part in the Clowns Art and Effect Association, and have been part of other groups of clowns, circus and street art: Alternatiu X, Sàtirs, Pallassos Perillassos, S3 De Riure, La Cremallera Teatre, Comediants, Pallassos sense Fronteres and Improvisto's Krusty Show.

They have acted in the Major Festivals of cities, towns and neighborhoods, theaters and festivals, have performed and co-created several circus raffles and accumulate a wide range of workshops and recreational and educational activities.

Attention !!! Here they are!

I feel the rhythm of the music that makes me move ... Oh!! They're so tall! You can see them coming from far away! Look how the musicians follow the Directore! From the instruments, well cleaned, the notes flow through streets and squares ...

SYNOPSIS
