PALLASSOS

The Filigranes Company was founded in 2004 by two clowns, but from 1996 onwards, Jordi Torrens (Trinxeta) and Albert Pérez (Makutu) have been together in scene.

The headquarters are located in Terrassa, at the premises of the circus association Tub d'Assaig 7'70, of which they are founders and active members. They also take part in the Clowns Art and Effect Association, and have been part of other groups of clowns, circus and street art: Alternatiu X, Sàtirs, Pallassos Perillassos, S3 De Riure, La Cremallera Teatre, Comediants, Pallassos sense Fronteres and Improvisto's Krusty Show.

They have acted in the Major Festivals of cities, towns and neighborhoods, theaters and festivals, have performed and co-created several circus raffles and accumulate a wide range of workshops and recreational and educational activities.

SYNOPSIS

CLOWNS WORKSHOP

We introduce you the red nose!

With it we will enter into the world of clowns, in humor, innocence and generosity.

We will learn to look with this nose, to use the body mask and build our own amusing character!

WHAT WILL WE LEARN?

We'll give a red nose to everyone and have fun through engaging games and dynamics, where we will discover the clown we bring inside!

We will learn theatrical techniques in order to develop body expression, the awareness of space and individual and group communication. And we will put into practice techniques that will help us increase self-esteem and lose the shame and fear of expressing themselves in public.
